PORT OF ANACORTES – Annual Audit Results

The Washington State Auditor’s Office completed its annual audit of the Port’s 2016 financial statements, federal grant compliance, and accountability. These audits are completed on an annual basis and are intended to ensure accountability and transparency in Port operations.

The Port has again received a clean financial audit with no deficiencies identified. In the area of federal grant compliance, state auditors found no instances of non-compliance. The Port is required to have a federal grant compliance audit when it receives more than \$750,000 in federal funding as it did for 2016 Airport Fencing Improvement and Obstruction Removal Projects. For more information on the Port’s audit please visit the State Auditor’s website at www.sao.wa.gov.
